Paatashala Admin and Adhyapakar Registration Campaign

Request for Cooperation from All Paatashalas

Respectful Namaskarams to all Paatashala Administrators and Adhyapakars.

VRNT is conducting this registration campaign for Paatashala Administrators and Adhyapakars. The initiative will help maintain accurate and up-to-date records of administrators, Adhyapakars, and Vidyarthi-s, and simplify access to VRNT's services.

We request every Paatashala to support this initiative by ensuring that its Paatashala Administrators and Adhyapakars complete registration through the campaign link shared with them.

The campaign will support the following objectives:

1. **Vidyarthi Enrollment:** Enable authorized Adhyapakars to enroll Vidyarthi-s and maintain their details under the respective Paatashala.
2. **Poorthy and Varshikam Examinations:** Provide accurate student and Paatashala records to support applications and related processes for Poorthy and Varshikam examinations.
3. **Ease of Use:** Help applicants complete registration and examination-related procedures more conveniently, with less repeated entry of information already recorded in the system.
4. **Data Security and Confidentiality:** Registration information will be handled confidentially, with access restricted to authorized personnel for relevant VRNT activities.
5. **No Sharing with Other Organizations:** Information collected through this campaign will be used for VRNT's registration, educational, examination, and administrative purposes and will not be shared with other organizations.

How to Register

WhatsApp messages will be sent out to Patashalas, based on the available contact information with VRNT. This message will contain a campaign link for registration.

Applicants should open the campaign link, verify their mobile number using the OTP received, select the applicable role—Paatashala Admin, Adhyapakar, or both—and submit the required details accurately.

Applications will be scrutinized by a VRNT Trustee. Upon approval, applicants will receive their VRNT ID and instructions to set up their password and activate access to VRNT system.

We kindly request Paatashala managements to share the registration link with the concerned Paatashala Administrators and Adhyapakars and assist them in completing registration promptly. Your cooperation will help make Vidyarthi enrollment and examination-related services more convenient and effective.

For assistance or clarification, please contact:

Sri S Swaminathan	: +91 98401 89849
Sri G Veeraraghavan	: +91 94444 54732
